The Beacon Clarendon is the epicenter of where modern meets luxurious. Everyday things, done better. The Beacon Clarendon provides a state-of-the-art, resident-exclusive fitness center so that you can exercise with everything you need while also supplying a rooftop pool and four season sky-lounge so you can cool off and relax. Want more, The Beacon Clarendon has it. Enjoy the resident lounge and business center, conference room, 9th floor clubroom, and green roof. Here to help is the onsite leasing and management team alongside the 24-hour concierge services. Step inside your apartment and enjoy the stylish architecture with terraces and sunrooms, the floor-to-ceiling windows, granite countertops, and so much more. Let The Beacon Clarendon become your home; let us make you feel at home.

Location

Take a ride to the Clarendon Metro Station and walk up to The Beacon Clarendon and you will immediately know why so many people love to live here. From the allure of clean, suburban living to the energetic nightlife, it's hard to decide what to enjoy most. Clarendon living puts you minutes from Whole Foods, excellent retail spots, and a practically limitless supply of restaurants, pubs, and cafes. Hop back on the metro and find yourself only minutes away from downtown Washington, DC and Regan National Airport. The Beacon Clarendon puts you in the middle of Clarendon, in the middle of modern living.
